

# Midnight Ride Shirt Design Contest

*Chapter G is looking for a design for next year's Midnight Ride shirts. Hmmm, we thought, what better place to get a design than from a diverse group of people such as we have in GWRRA. So, here's the deal: you design us a shirt for the Midnight Ride, we'll give you fame and fortune. That's right, a crisp new \$50.00 bill, your name printed on the shirt in the credits for all to see and a free shirt that you helped to design yourself. Now how much better could it get?*

**So, get your pen and ink ready and see what type of a design you can create. Don't worry if it's not perfect our artist can fix anything, he's gotten real good having to work with Len all the time. There are only a couple minor things to keep in mind. See Below...**

1- Your design must be turned in before September 30, the year before the ride.

2- Chapter G has had several items in almost every one of the Midnight Ride shirts. Items to the right with asterisks \*\*\* must be included in your design. Other items in the list have appeared in the past and may be included if you wish...

3 - Chapter Mi-G reserves the right to retain any and all designs and to make any changes we deem appropriate.

4 - Designs must be no more than 4 colors in addition to the shirt color. Shirts will be a dark color.

5 - If you wish to see photo's of all the Midnight Ride shirts to date send an e-mail with your request to [tanstaaf@wingsisp.com](mailto:tanstaaf@wingsisp.com). You will receive a reply with the photo's attached.
